Towards Action

Stories from the frontlines.

Dear Lions Club Members,

I am thrilled to introduce the July 2024 edition of our Lions Newsletter, where we shine a spotlight on the incredible projects that have touched the lives of over 1,200,000 people in our local communities over the past few months.

In the spirit of service and commitment to our community, we embarked on various impactful initiatives from May to July 2024.

These projects, including Clean Water programs, a community-wide Food Drive, an Eye Camp, and a Diabetes Camp, have brought meaningful change to thousands of lives. Through collective action, we raised over \$18,000 in donations and contributed more than 3,600 volunteer hours to make these efforts a reality.

I encourage you to read this newsletter and share these stories of hope and transformation with your friends and family. Let us continue to inspire others to join our cause, ensuring that our impact only grows stronger with each passing day.

Thank you for your unwavering dedication to the Lions Club's mission of service. Together, we are changing lives and building a brighter future for our community.

Food Drive for Orphans

We are excited to share that the Lions Club of Mzizima carried out a heartwarming event at the Tulee Yatima Tanzania (TUYATA) center in Dar es Salaam, where we provided freshly cooked meals, soft drinks, and cookies to over 300 orphans.
